

2008 marks our 9th Annual Komen Brainerd Lakes Race for the Cure® coming up July 5th at Forestview Middle School. Last year a record 2140 people from 27 states and 49 MN Counties registered! Here's a way your business (or you!) can be involved in this great Brainerd Lakes event that has made possible \$260,000 in grant money for breast cancer education, screening and treatment right here in the Brainerd Lakes. We are Tinkled Pink to tell you about this offer. For just \$100, you can have your name, your business name, or your friend's names prominently displayed on one of the portable potties that are brought in especially for the Race.

Everyone will see these potties, sometimes more than once! What a great opportunity to support this life saving cause, advertise your business, shout out greetings for friends and family, and have some fun at the same time!!

You may decorate your potty early on Race Day (6:30 am) at the southern edge of the Forestview Middle School parking lot. Rules of decorating:

1. Do not put anything permanent on the port-o-potty such as paint or magic markers.
2. You may use a special tape which will be furnished and must be removed after the Race.
3. Use your imagination! Decorate with balloons, bows, fabric, photos, signs, etc. to make your Tinkled Pink Potty the envy of all others.
4. Don't wait to respond. Numbers are limited.

Make checks payable to: Komen Brainerd Lakes Race and mail with form below to:
PO 1057, Brainerd MN 56401

.....
 Yes! What a fun way to help the Komen Foundation in the fight against breast cancer. Here is my check for \$100.

No! I don't want to miss out on this great opportunity. Here is my check for \$100.
